

Thank you for adopting
Smol Mr Pupperton

from
Progressive Animal Welfare Rescue

We have loved them, now it's your turn!

What's next?

Our friends at Pawlytics have put together helpful tips and products to help guide your next steps for bringing home the newest addition to your family.

Remember the Rule of 3s

In the first...

3 Days

- Feeling overwhelmed
- Unsure of surroundings
- Doesn't know the rules
- Might refuse to eat
- Might sleep or hide a lot
- Patience is key!

In the first...

3 Weeks

- Starting to settle in
- Picking up on new routine
- True personality beginning to show
- If any, behavioral issues might start showing
- Great time to invest in training!

In the first...

3 Months

- Settled in new routine
- Feeling completely comfortable and secure
- Bond of love and trust has been built
